Wally,

Even though I've only known you for 2 years it seems like I've known you all my life. You are my special friend and always will be, even though you're graduating.

You are the kind of friend one never forgets. We've had alot of good and bad times like Toilet papering, ditching + shows. You have asked me to cut it short so I will. Wally I will always love you.

Susan Schwartz

Wally,
I've known you a
couple of years and it
has really been fun. Remem-
ber when we snuck beer in
the auditorium and drank that
was really fun. A lot has happened
since those times but I've always
liked you and always will. You
are my friend for life Lets keep
in touch.
Love Lori

DONNA LEE ROTH

DEDICATION 1977

As you walk into the administration building who is the one person who greets you with a friendly smile? Donna Roth of course, so it is with great pleasure that this class dedicates the 1976-77 Tyro Annual to Donna Roth.

Donna was born in Springfield, Illinois. She attended Washington Elementary and East Bakersfield High. While in high school Donna was an active member of the girls ensemble and glee club. Donna worked in Bakersfield City Unified School district for 9 years prior to arriving at Cardinal City in the spring of 1969.

Donna has become the backbone of San Bernardino High School. She not only contributes greatly to the running of the school, she is probably the most school-spirited person in the entire city. As an active member of the Booster Club, there is never a Friday night that you don't see her in the stands cheering our team to victory. She is involved in Powder Puff football, assisted the cheerleaders and the drama class in all of their productions. She also plays Donkey basketball every year and keeps score for the boys track team.

Donna is one of the finest citizens Cardinal City has ever had! Thank you, Donna for 9 wonderful years of dedication and hard work. We hope there will be at least 100 more.

The Annual Staff
1976-77

Pima Life Song

Love jeweD Kahchim, relish the fruit
(The Earth)
that she offers.
Look to hewel as it brings for you the
(The Wind)
courage of ba'ag,
(The Eagle)
The wisdom of ban,

The power of the juDumi,

Avoid the chuhugam, as it robs you of your innocence. (Darkness)

Thank you for giving me such a wonderful opportunity to stay at S.B.H.S. You are always friendly, kind and smiling. I'll never forget you. You gave me the happiest year in my life. Talking with you, studying, and playing sports with you, every experience is precious to me. But everything is passing by me too fast to look upon what you have done for me. These experiences given by all of you will be a great advantage to me in the future.

S.B.H.S. is great and I hope you will continue to grow throughout the future.

Thanks,
Junici Hironaka
